Terms and Conditions for WhizMsg

Last Updated: 13 April 2025

Welcome to WhizMsg. By installing or using our Chrome extension, you agree to the following Terms and Conditions. Please read them carefully before using the service.

---

1. Disclaimer of Affiliation with WhatsApp

WhizMsg is **not affiliated, associated, authorized, endorsed by, or in any way officially connected with WhatsApp Inc.** or any of its subsidiaries or affiliates. WhatsApp is a trademark of WhatsApp Inc. The use of our extension is solely for enhancing user experience on **web.whatsapp.com**, and we operate as a **completely independent entity**.

---

2. Compliance with WhatsApp Policies

By using WhizMsg, you agree to **strictly follow WhatsApp's Terms of Service and policies**, including but not limited to:

- Avoiding spam or unsolicited messages.
- Not using the extension to send promotional content to users without their consent.
- Not violating any usage restrictions laid out by WhatsApp.

---

3. No Spamming or Misuse

WhatsApp **explicitly prohibits** the use of automated or bulk messaging tools for marketing or spam. By using WhizMsg, you agree:

- **Not to send messages to unknown or unsolicited numbers.**
- **Not to use the tool for sending bulk / Spam content** that violates WhatsApp's terms.
- **To be solely responsible for the content you send** and to ensure it complies with applicable laws and regulations.

---

4. Limitation of Liability

WhizMsg is a tool to assist in sending automated messages via **web.whatsapp.com**. However:

- **We are not liable if WhatsApp bans, restricts, or suspends your number** due to non-compliance with their rules.
- **We do not take responsibility for any data loss, account issues, or business impact** that may result from the use of this extension.
- Users are solely responsible for ensuring they use the extension in a lawful and compliant manner.

---

5. Data Privacy

WhatsApp Number: We save your WhatsApp number, as it is linked to your license key for payment validation.

Templates and Media: We store user templates along with any media or audio attached to them, so you always have access to this information whenever you open WhatsApp.

Audience Data: We save audience data, allowing you to create an audience once and use it multiple times for broadcasting. We also provide an option for quick audiences if you prefer not to have this data saved in our database.

Conversation Data: The export feature gets the data from the browser memory and saves it immediately to your computer. The data is not exposed or processed anywhere outside your computer.

---

6. Changes to These Terms

We reserve the right to update or modify these Terms and Conditions at any time without prior notice. Continued use of WhizMsg after such changes constitutes your acceptance of the new terms.
